**Roles:****Vincent Gold: Lead, Male 16 - 19****Ethnicity: White/European Descent and/or Latin/Spanish Descent**

16 to 19 years old, Eastern European, white male. Vincent is the oldest boy in the Gold Family. He is a talented writer and a poet at heart. He speaks with vocabulary from the 19th century and is incredibly intelligent. He is responsible deep down but does not like to show this to anyone. He does not like to show emotions to anyone except his best friend and sister, Golden, who he trusts more than everyone. He is sarcastic, confident, calm, suave, and perceptive. He has a mind of his own. He is a passionate person deep down and sexually driven figure but feigns to always be disinterested even when he's clearly in love. He is willing to do whatever it takes to save his family from poverty even if it includes sacrificing his principles for money. He feigns to be nonchalant always but deeply cares about his family. Carries himself with a certain alluring suave and natural edge. Depth of emotion is extremely important. Must be able to cry, break down, become cold, angry, and inert strong emotion on screen. He has a strong emotionally driven redemptive arc.

Required Media: Headshot/Photo

**Lionelle Neville: Supporting, Male 16 - 19****Ethnicity: All Ethnicities**

Lionelle is a rich humble entrepreneur seeking to find a life that sets his heart on fire and gives him a purpose; he dreams to make a difference in the world and seeks to do so through being generous. He cares about solving problems that affect the less privileged and deeply cares about people. Above all, he seeks to impress Golden more than anything. He is charmed by her and seeks to win her heart. He is an accomplished young business owner. He is charming, edgy, calm, confident, perceptive, and kind. He is the love interest of the female lead, Golden.
